Coffetek Vitro X3 Duo

The brand new Coffetek Vitro X3 Duo has a very compact footprint but delivers great coffee for its size. With a clean and stylish black glass finish, the Vitro is built around already proven and reliable technology. With one bean hopper and two instant canisters it offers a wide selection of your favourite fresh bean barista style drinks. The air touch menu offers a Espresso, Cappuccino, Café Latte & Americano, for those indulgent moments you can also enjoy hot chocolate or a Café Mocha, simply touch & go. In addition the Vitro X3 Duo incorporates Coffetek's Easybrew system providing fresh leaf tea. The Vitro X3 has sound environmental credentials with 90% of materials used in its construction being recyclable at the end of its life. It's packed with clever energy saving technology such as an energy management system which can learn usage patterns and power down when it's not used, reducing energy consumption by up to 30%. The Vitro X3 is capable of serving two drinks sizes with an optional go large function, serving up to 12oz drinks.

Air Touch Technology – allows selection of products without touching the machine surface. Providing a frictionless, hygienic consumer experience.
