

ICE CAP 61 ST

The ICE CAP 61 ST is a high quality catering grade, gravity fed, single flavour soft serve ice cream machine. ICE CAP 61 ST serves one of either ice cream, frozen yoghurt or sorbet. A good output of 200 portions per hour in either cones or tubs provides excellent margins and income for a relatively small capital outlay. Thoughtfully designed with digital micro-processor control and constructed with high grade stainless steel the ICE CAP 61 ST is both simple to use and easy to clean.
