K-Fee Lattaero Milk Frother

The K-Fee Lattaero is the perfect addition to your K-Fee coffee capsule machine, frothing both hot and cold milk to provide barista quality drinks. It has 4 individual functions so you can decide what milk you want with your coffee. Ideal for cappuccino and latte drinks.

Dimensions (DxH): 120mm x 200mm
Anti-slip ABS plastic plus stainless steel
Weight: approx. 1 kg
Less than 0.5W standby power consumption

- Four functions, each button illuminated
- Especially firm and creamy milk foam
- Very good results with milk of any fat content
- Ideal for latte macchiato and cappuccino
- Tight closing, transparent lid
- Easy to clean by hand and dishwasher safe
- Quiet, fast operation
- High-quality manufacturing
