## K-Fee Wave

The K-Fee Wave is a popular model – an all-rounder with an aircraft design. By choosing the K-fee Wave, you can rely on an affordable all-round machine that will allow the whole family or a small office team to relax and enjoy the full range of K-fee drinks. The capsule machine fully delivers on all the basics that make the K-fee system so attractive. It has a button for espresso (and a height-adjustable cup tray, especially for espresso cups). At the same time, those who prefer a lungo or filter coffee can simply take their choice and press the button for a large cup.

- Water tank capacity: 1 L
- Water filter compatible
- Automatic capsule ejection
- Capsule holder: Up to 10 capsules
- Additional espresso drip tray
- Programmable cup volume
- Automatic shut-off
- Reduced brewing temperature for milk-based drinks
- Warm-up time: Approx. 15 secs

Dimensions (WxHxD): Approx. 150 x 297 x 378 mm

Pump pressure: 19 bar

Weight: Approx. 3.8 kg

Cable length: 1 m
