Kimbo Decaff ESE Ground Coffee Pods

Each pod contains 7g of ground decaffeinated coffee and is individually wrapped to preserve freshness. Designed to fit shallow group heads of professional espresso machines. After use, the pod is compostable, so it can be disposed in your food waste bin. 100 pods per case.

Kimbo Decaff ESE pods, one of the best decaf espressos on offer today, preserving the rich aroma and full flavour of classic espresso. Dark roasted but without bitterness, providing a great balance of sweetness and

body with a persistent crema, giving a superb in cup experience. Each pod contains 7g of ground coffee and is individually wrapped to preserve freshness. Designed to fit shallow group heads of professional espresso machines. After use, the pod is compostable, so it can be disposed in your food waste bin.
